Re: Docket Number: E-01345A-16-0036 + E-01345A-16-0123

Dear members of the Arizona Corporation Commission,

I am writing to address the APS rate case. I am not sure why APS feels they need to take more money from my business. Small business and startups are driving the Arizona economy and this increase could stop a company before it even starts.

APS looks to increase my monthly basic service charge by as much as 75% per month. This could destroy the small business I have worked hard to build. This is an unmerited increase to my cost of doing business.

Commissioners, please support Arizona's small businesses and vote against this undeserved rate change.

Sincerely,

John Armstrong
